93

Focus Updates 2018 → Building Projects

The Bethuel Dongo Assembly Hall is now completed and currently serving the whole high school student body for all assemblies and chapels.

God Cares High School Dorms are now under construction, starting with the foundation and first floor of the girls' dorms and following with the same plan for the boys, making room for today and future generations.

Project Impact:

Total Project Cost: \$1.2 Million

Each building will house 700 students

Expand the student population from 800 to 2,000

New Programs

Share Buyamba

We created a way for any donor to have a Buyamba Share Event in their own home or small group providing a set-up of materials, videos, and a Buyamba representative. This year, there were over a dozen Buyamba Share Events when Florence Dongo was in the U.S. for her annual visit.

Focus Updates 2018 → New Programs

Buyamba Legacy Giving

This year, Buyamba sought counsel to offer and implement various opportunities to those donors who are interested in planned giving options such as: IRA rollovers, wills, estate planning, stocks, and asset gifts.

Ongoing Programs

Eleven teams went to Uganda in 2018 - four of the teams were brand new church teams.

Florence Dongo's annual trip generated new funding and 60 new sponsorships.

Matching gifts have increased due to donors inquiring eligibility from their employers.

Continued development of sports teams at God Cares Primary and High Schools have led to a nationally recognized boys high school soccer team.

Buyamba farm production in Uganda is growing to produce enough crops to supplement the schools' food supply, especially Matoke (bananas) and tomatoes, along with avocados, mangos, oranges and a greater supply of milk due to the increase of cows.

Buyamba support base continues to grow after seeing a 10% financial growth from 2016 to 2017.

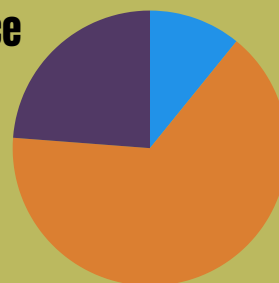

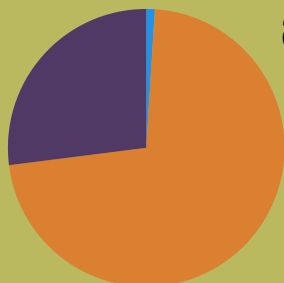

Creative Giving continues to grow with the Buyamba Pumpkin Patch, schools and VBS groups using our Kid2Kid program, business profit offerings such as thrift store proceeds, birthday party gifts redirected to support students, and many other donor-generated ideas.

Forward Focus 2019

UGANDA

Build the God Cares High School Dorms.

Add an additional team to lead a 5-day bible camp experience for our S1-S3 students.

Establish a corn farm on the Jinja land to provide an additional crop to feed the school and to create a physical presence at the location of the third God Cares School (which is yet to be built).

Finish the planned professional sports courts at God Cares High School (soccer, volleyball, and basketball) to establish national teams and tournaments which will add to the sustainability program of the school.

U.S.

Creatively fundraise for the student dorms (\$1.2 million).

Host Florence Dongo during her visit to U.S. churches and friends in the spring.

Attend the Buyamba Spring Gala in California.

Continue to expand churches and teams visiting God Cares School.

Increase Creative Giving - Amazon Smile, RoundUp App, and creative fundraisers.

Ways to Give

Sponsor a child - \$35 a month will ensure a child's education or residential needs are met.

Join the Buyamba Builders by giving a one time gift or monthly pledge to the construction of the dormitories at the high school.

Launch the next generation by giving the gift of a university scholarship in your name, organization, or in honor of a loved one.

Build the professional sports courts with a gift of any amount towards the soccer, basketball, and volleyball courts. \$15,000 each.

Feed God Cares Schools by supplying seeds and animals for the Buyamba Farm.
