Helping Uganda...one child at a time

A Call To Prayer

A Word From Our CEO

Dear Donors & Sponsors,

Transparency has always been valued at Buyamba Uganda, and today is no different. We believe in sharing in the victories and the struggles with you as our Buyamba partners. As we reviewed our budget for this year, based on our total income in 2022, we have come up a bit short of the God Cares School term money totals we need to send to Uganda throughout the year.

Our faithful sponsors are mighty and many, but some are feeling the pinch of inflation themselves. We certainly understand and continue to pray with and for our donors as they face financial trials.

We believe this entire ministry is in God's hands. We know He is always working on behalf of His precious children in Uganda through the Dongo family and our faithful partners. Please pray with us for favor with churches and new sponsors as we establish additional connections to help us in this journey. We are praying specifically for 125 additional sponsorships to be covered. This support would make the difference in our shortfall. Please join us in prayer to reach that target under the Lord's guidance.

Thank You,
Julie Dimas

A Call to Share Buyamba

It is clear that God moves on the hearts of people to care for his children who are orphaned or in desperate situations. There are many sponsors and donors who have been with Buyamba for years and who are very passionate about sharing the love of Christ with these children. If you fit this profile, the "Share Buyamba" invitation is for you.

Here's how you can get involved.

1. PRAYING WITH US
2. Introducing Buyamba to your Pastor or Mission Coordinator
3. Introducing Buyamba to your organization, church, small group, bible study or your friends.
4. Hosting a Share Buyamba Event in your home while Florence is in your area in April or May.

Writing Letters to Your Sponsored Child

Now and again, a letter or card arrives at the Buyamba office for us to send off to their sponsored child in Uganda. Today, a beautiful card arrived that was beautifully printed.

Dear Child,

I just got your report card, and I am so proud of you. You are such a smart and handsome boy. I hope you and your family are doing well.... Continue to work hard in school and lean on God for all your needs.

*In Christ,
Your Sponsor*

We love receiving letters like this to pass on, and we love receiving them from Uganda en masse to send to our sponsors. A Buyamba letter brings joy no matter from which side of the earth it comes. We will soon have travel happening back and forth to Uganda, so please feel free to send your sponsored child a letter, photo, or card through the Buyamba office. We will pass it on and bring joy to your little one!

Notice: Keep a lookout each month in your mailed newsletters for pictures, photos, and report cards.
